**B. GENERAL PARKING CONSIDERATIONS:**

1. Each campus has certain unique parking classifications. Persons parking at either campus should be aware of any special markings or parking prohibitions.

3. Holders of parking permits not listed within this reciprocal agreement, or those persons with any question or conflict with parking, should contact the University Police Department or an officer, guard, or parking controller on the campus where parking and request specific parking instructions. Failure to do so may result in unfavorable enforcement action.

Questions regarding parking on the UTSA campus should be directed to Parking & Transportation Services via email at [parking@utsa.edu](mailto:parking@utsa.edu) or phone at (210) 458-7275.
