

# STUDENT ORGANIZATION INVOLVEMENT FAIR FALL 2009

## *Registration Form*

Involvement Fair is an opportunity for student organizations to introduce themselves to students so the students may get involved on campus. It is an excellent opportunity to get your organization's name out, to recruit new members, and to showcase your organization. Participation is limited to recognized student organizations; therefore you must be registered with Student Activities.

We are limited on the number of tables available, submit this form as soon as possible!
