We look forward to your attendance at our Student Affairs Orientation. This is a fun workshop for learning about your dynamic UTSA division! Representatives from all areas of Student Affairs will be on hand to provide information and answer your questions. You will have the chance to network with coworkers across the division, attend a fair where you'll learn about different departments and win prizes! Attendance to this event is mandatory. Please coordinate your attendance with your supervisor. All attendees will be given credit for SD 414 through myTraining.
