

# VIRTUAL MEETING BINGO

Realigned  
webcam to show  
entire face

"Can everyone  
see my screen?"

Screen froze  
in an unflattering  
position

Wore pajama  
bottoms to a  
video meeting

Check self out  
in your video  
display

Awkward  
silence

"Sorry, I was  
on mute"

Spotted a pet in  
the background of  
a video meeting

"I gotta jump on  
another call"
