**Term: Spring 20xx: Graduate**

<sup>A</sup> It is recommended to still meet regularly with your Health Professions Advisor to discuss your progress.

<sup>B</sup> Students can adjust plan to accommodate applying in fourth-year, which allows more flexibility and additional semesters pre-requisites can be completed.

\* Individual PT schools may have additional non-science pre-requisites. It is the student's responsibility to meet with their Health Professions Advisor or check the websites of the specific PT schools to make sure they have planned for all required pre-requisite courses needed for application and admission.
