### Opt-in MDST-BSN Pathway Degree Plan Requirements<sup>a</sup> (12 credit hours)

- HTH 2413 or UCS 2033
- MDS 4983
- IS 1403 or IS 1413
- Choose *One* of the following
  - a) COM 1043; b) COM 1053; c) COM 2113; or d) ENG 2413

<sup>a</sup> these courses are required in addition to the nursing pre-requisite coursework.

Students that OPT-IN for MDST-BSN Pathway must take all nursing pre-requisites at UTSA (any credit earned through AP or Dual Credit coursework, prior to enrollment at UTSA, is permitted).

**MDST-BSN Eligibility** Must have by time of application

- Min. 3.6 Pre-Req GPA
- Earn a minimum score of 84 on TEAS
- All **bolded** Math/Science courses completed prior to application
- By time of application, have completed 51 of 60 pre-requisite hours (this includes the math & science hours).
- **no more than 9 hours from non-math/science pre-requisites may be in-progress or planned at time of application.**

*Application Deadlines*    *Fall entry: Feb 1*  
*Spring entry: Aug 1*

**NOTE:** The courses on this handout align specifically to UTHSA BSN program, however students are encouraged to consider applying to multiple nursing school programs. If you plan to apply to other BSN programs please know that some pre-requisites courses and application requirements referred to on this handout may change as each school determines their own pre-requisite courses and application requirements (including minimum GPA's; Entrance Exam required, etc.)

*±effective Summer 2023 Microbiology BIO 1053 and BIO 1061 has new course prefix for MMI. Students who completed Microbiology under these prior course numbers still meet the UTHSA prerequisite.*

<sup>①</sup> *courses indicated will count toward the minimum 3.0 UTHSA BSN pre-requisite GPA required to apply.*
